

**GHWP MEETING
LIAISON MEMBER UPDATES
16 FEB 2023**

DENIZ BRUCE - CEO

GLOBAL MEDICAL DEVICE NOMENCLATURE (GMDN)

Name and Group all Medical Devices

GMDN Terms are named systematically to reduce ambiguity regarding intended use.

Fully up-to-date Free Access to All

The GMDN is constantly being updated to represent the ever changing medical device industry.

Globally Recognized

We have regulatory members in all 5 continents.
>15,000 members.

GMDN

OUR VISION

To provide a single common language for all medical technology and for it to be adopted by medical device regulators, manufacturers and other participants in healthcare systems worldwide

OUR MISSION

To be the global leader in naming, describing and unambiguously identifying medical devices for the protection of patients

OUR AMBITIONS

- PROMOTE THE VALUE OF GLOBAL COLLABORATION AND HARMONISATION
- CONTINUOUSLY IMPROVE AND INNOVATE
- PROVIDE EXCELLENT SERVICES WHICH ADD VALUE
- BE ENGAGED, HELPFUL AND EXPERT
