GHWP Towards Medical Device Harmonization

- Global Harmonization Working Party (GHWP) is established as a non-profit organization.
- The Working Party is a group of experts from the medical device regulatory authorities and the medical device industry.
- Our goals are
 - To develop and recommend approaches for the global convergence and harmonization of medical device regulations;
 - To facilitate the exchange of knowledge and expertise amongst regulators and the industry for the establishment of harmonized requirements;
 - To promote capacity building in members and to foster strategic membership expansion;
 - To work in collaboration with related international organizations such as International Medical Device Regulators Forum(IMDRF), ISO, IEC.
- Membership is open to those representatives from the globe that support the above stated goals.

GHWP Vision & Mission

Our Vision

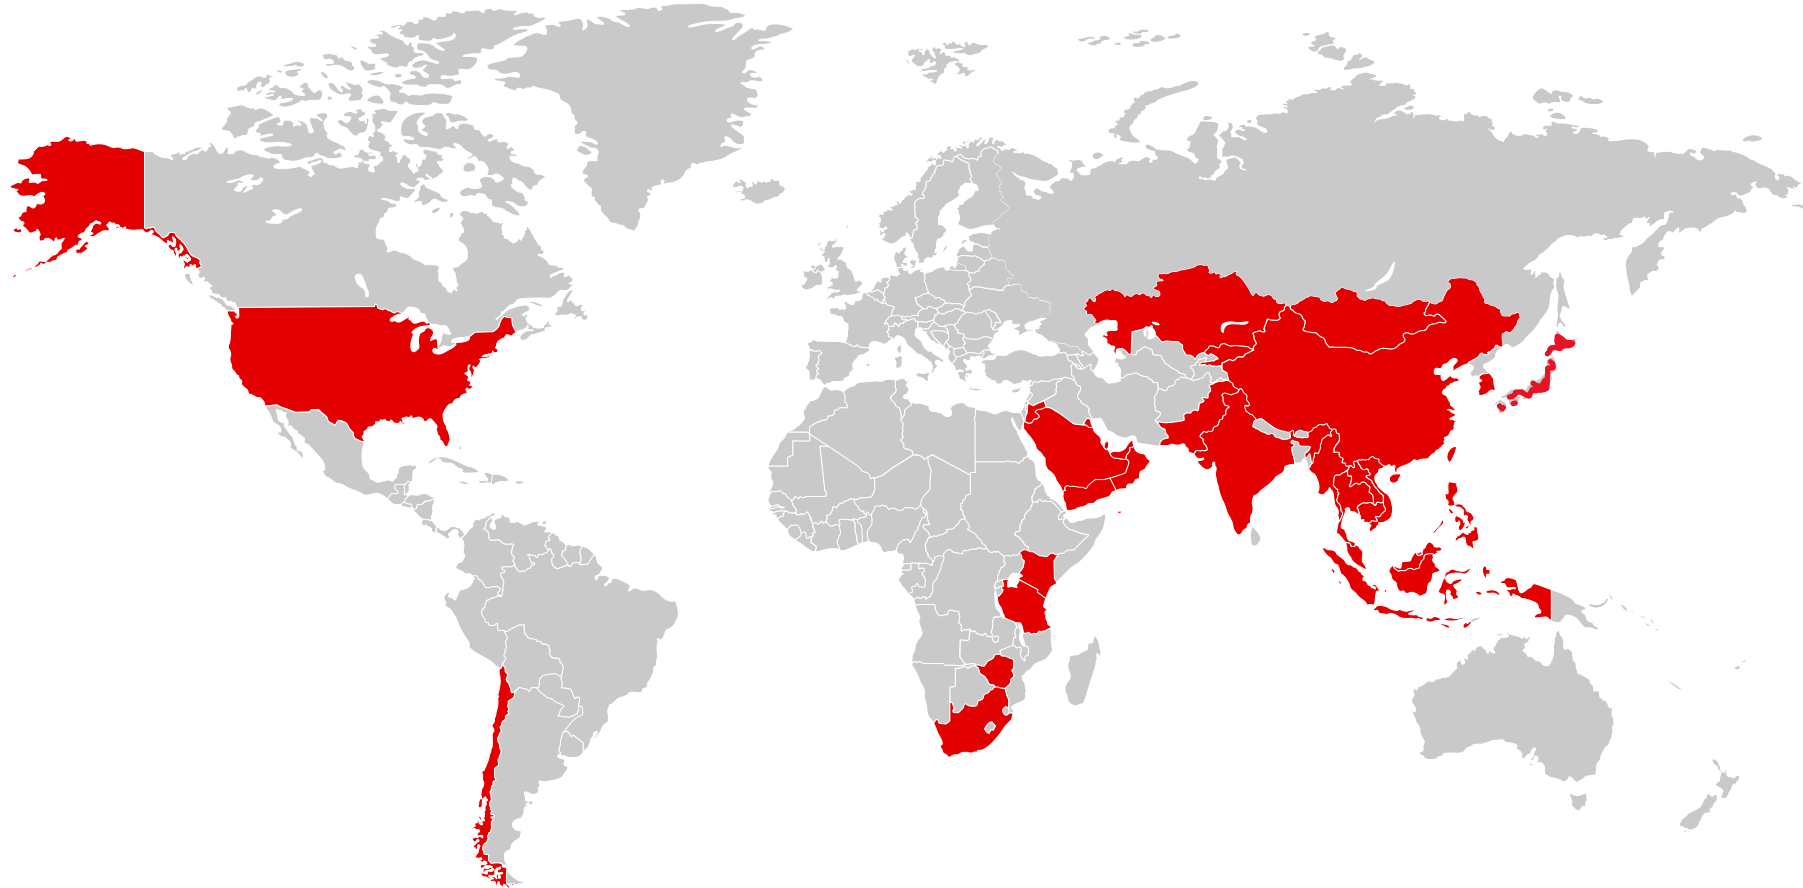

To achieve international harmonization of medical device regulatory framework among regulatory authorities, convergence of regulatory requirements, open and trust-based efforts between regulatory authorities and the industry across the globe.

Our Mission

- To strategically accelerate medical device regulatory convergence through promoting an agile and fit-for-purpose regulatory model for medical devices based on latest development in regulatory science.
- To lead and promote systematic capacity building for future-ready regulatory professionals in light of emerging technologies.
